National News—1965

- **2** Pioneer in Space—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.
- **3** Medicare Bill Signed—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.
- **4** Temporary Mood—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.
- **5** Double Space Spectacular—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.
- 6 Plea for Peace—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

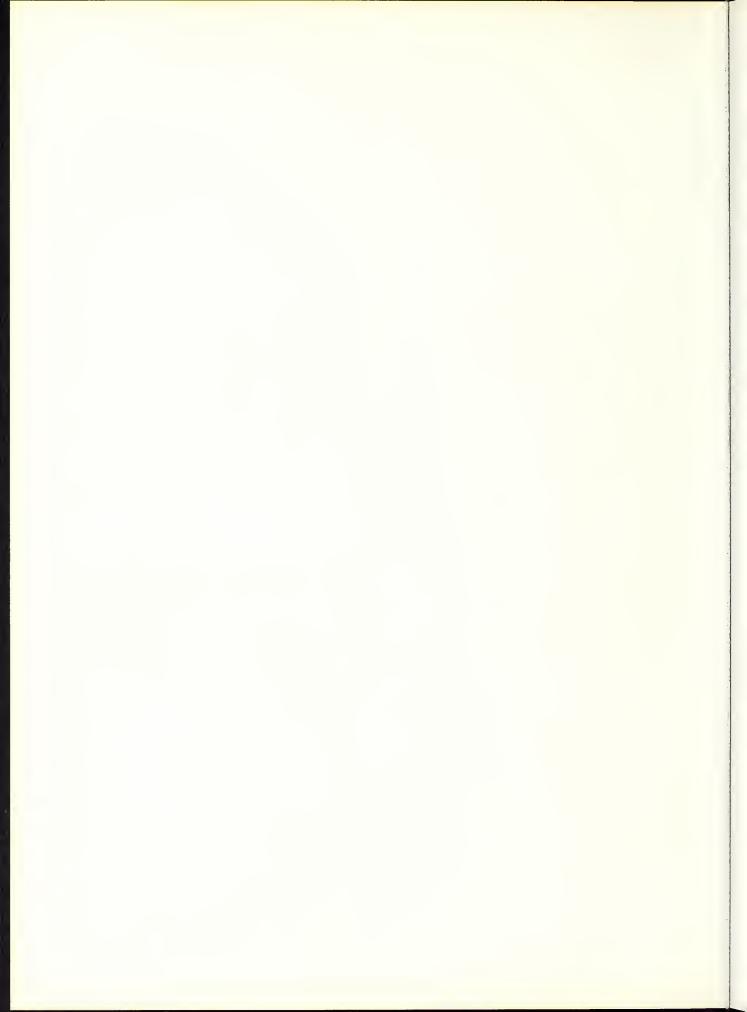

- **7** After Surgery—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.
- **8** Proud Student—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.
- **9** Blackout—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.
- 10 New Ambassador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.
- 11 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.
- **12** Royalty on Tour—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Never asking for thanks, never refusing to give himself to a worthy student, Mr. Ray L. Kipke, an instructor at CHS for decades, has completed his service.

To Mr. Kipke, a scholar, a gentleman, and a friend, whose sincerity, honesty and dedication have given us a start in life beyond which we could acquire in any other way, and the inspiration to succeed, we gratefully dedicate this 1966 RAYDER.

Mr. Ray L. Kipke

With Deep Appreciation and Respect

A big thank you is expressed by all students for Kipke Field, and the RAYders. A more appropriate name could never be had.

Guidance and Counseling

Three necessary and important jobs in our school are counseling, medical assist-ance, and speech therapy. Whenever a student needs advice on personal or school matters, Dr. Ratigan is always there to guide. Mrs. Miles lends a helping hand to students who become ill or injured while at school. Mrs. Lundteigen helps students who have speech difficulties—many schools are not fortunate to have this specialized training.

All teachers meet at least once a month to discuss school policies.

Our cooks, custodians and bus drivers perform endless tasks of keeping our school in operation. Sometimes we fail to give them the recognition they deserve. On behalf of the student body we extend a big "thanks" to all these people.

'Moose', I'm ticklish!

We leave to the upcoming seniors as much fun and happiness as we had in our senior year at CHS.

That old gang of mine.

Of the many fond memories of the junior year, perhaps the most outstanding is their class rings. Nothing is so treasured as this symbol of their high school days.

A toast to victory

To the sophomores we leave all our unique ideas for making money. Like making cider?

PLAYBOY? No, FIELD AND STREAM.

Make sure that you get the kleenex snugly in the wire. We don't want our float to collapse before we are awarded first prize.

Hey! You owe me two cents.

Even a president's work consists of more than just giving orders. Here "Supie" tackles the gold crepe paper.

Our sincere "Thanks" goes out to our advisors; Mr. Donald Carey, Doctor William Ratigan and Mr. Gordon Robinson and to Mr. and Mrs. Harry Bingham. Without the help of these people our Junior year could not have been the success it was.

Today's teenagers are tomorrow's leaders. They will be running our towns, cities, and states. The best preparation for the assumption of these responsibilities is practical experience. Wolverine Boy's State, sponsored by the American Legion, is held annually at Michigan State University for this purpose. During the week's session the boys get actual experience in holding public offices. Paul Martin, Ted Weidman, and Bruce Livingston are now a step closer to being prepared, reliable leaders of tomorrow.
